

Providing Unique  
& Innovative  
Solutions for  
Every Stage of  
an Aircraft Lifecycle

## WHY KELLSTROM

For over 40 years, Kellstrom Aerospace has been providing industry-leading aftermarket services supporting aircraft owners, operators, and MROs with cost saving solutions or value added services at each phase of the aircraft's lifecycle. Kellstrom Aerospace offers innovative, service-led inventory supply chain programs to global commercial airlines. We work closely with our clients to ensure that as their needs for aircraft and engine parts change, we are well-positioned to offer solutions to maximize their profitability.

Kellstrom products and services are tailored to the commercial aftermarket enabling organizations to:

- ✓ Reduce Aircraft and Engine Downtime
- ✓ Cut Maintenance and Operating Costs
- ✓ Improve Asset Value Realization
- ✓ Utilize the Highest Quality Genuine OEM Parts and Services
